

**Results of Laois Secondary schools Track and Field held  
In St. Abbans sports complex on Wednesday 17th of April 2013**

Apologies in advance, the vast majority of the paperwork from Wednesday was as the competitors and officials were, soaked! Some was unreadable and other events, relays, girls shot putt and several of the long jump competitions were cancelled.

Thanks to all who braved the elements to compete and officiate and thanks to St. Abbans for the use of their facilities.
