----------------------	--------	---	---------	---------------------------------

Many thanks to all the teachers and schools that supported the event. Congratulations to those that secured medals. For anyone interested in getting involved with the club now is the ideal time as the cross country championships are coming up over the next few weeks. Special thanks to the parents and club officials for looking after the event. Any queries or discrepancies with the above results please get in touch with Jane or myself a.s.a.p.

Many thanks.

Regards

Pat
