3. Joe Picard	9.27	P/L College

Many thanks to all the schools who travelled in such numbers. Thanks to the teachers for facilitating the competition and special thanks to everyone that got in and helped out. Some very good competition and several athletes capable of performing on the bigger stage such as the South Leinsters in a couple of week's time. Wishing all the Laois athletes the very best in same and to those doing examinations the very best.

Thanks to "Laois Sports Partnership" for implementing the 30;40;50 initiative and to the schools that have become involved. Our thanks to the Laois Credit Unions for there continued support of our events. Also thanks to the Athletic Association of Ireland through our Regional Development Officer Pat Ryan for his attendance and commitment to the county. Any queries please get in contact with myself.
