Many thanks to all the teachers, students and parents that turned up to support this event. We hope your school had an enjoyable few hours in the beautiful weather out of the classroom. Many thanks to the teachers that helped out, collecting names and numbers leading to a smooth running event.

We had a 50% turnout of the local schools, which was a little disappointing .This event encourages all levels of ability and numbers in the school due to the different divisions. It is a joy to see the surprise on childrens faces to know they are getting a medal for their team even though they didn’t finish in the usual top 3 places.This can only encourage their involvement in sport .

Club training takes place every Tuesday and Friday from 7.30 – 9pm.Anyone in your school interested are welcome to come along and get involved .The club championship takes place on next Sunday at 11am starting with the u10 – in Diarmuid Grahahms field ( at the back of Behans Pub).All welcome.

Apologies to Shanganamore N.S. 6<sup>th</sup> class boys that came 1<sup>st</sup> place instead of 2<sup>nd</sup> place on the day. There was a rare error made in totting up scores.

Thanks again for your support and best wishes.

Margaret Davis
