A fine turnout all round with 70 athletes competing and having an enjoyable evenings sport. It was great to see Vicarstown making a big effort to re-activate the club and with the talent on show they can be a force on the athletic tracks in the not too distant future. St. Abbans also benefited with several new faces being introduced to the sport. Many thanks to all the parents who ensured the programme ran smoothly. Wishing all the very best for the coming season. Any comments welcome.

Pat Kelly
