

Laois Primary Schools Track & Field – St Abban's Athletic Club, Monavea – 16th June 2010

A beautiful warm day greeted the 400 plus turnout representing over 18 Laois Primary Schools that took part in the Annual Schools Track and Field championships. Some newcomers made it to the podium while a number of established athletes were to the fore. Thanks very much to all the parents who travelled and the teachers, along with the volunteers, that ensured that everything ran smoothly and finished in good time - hopefully not too many were sunburnt and that all enjoyed themselves.
