

St. Abban's AC Club Cross Country - 22nd September 2019

Well done to all our club members that took part today in our annual cross country event. It was "real cross country weather" and there were some great battles throughout, a taste for the season to come! It was great to see the good numbers and it was a lovely relaxed atmosphere for all our newbies to give it a go.

Special thanks to Cllr. Ben Brennan for sponsoring the event and all our volunteers on the day.
